

ADVISORY COMMITTEES TO THE SCHOOL BOARD

The School Board may appoint advisory councils or committees of citizens of the school division for consultation with reference to specific matters pertaining to local schools. In addition, pursuant to Board of Education regulations, the School Board establishes advisory committees for the following programs: special education and career and technical education. These committees serve without compensation for one-year terms.

A School Safety Audit Committee will be established to evaluate, in accordance with the directions of the School Board, the safety of each school and submit a plan for improving school safety at a public meeting of the School Board. The committee shall include representatives of parents, teachers, local law-enforcement agencies, judicial and public safety personnel, and the community-at-large.

A Parent advisory Council will be established to provide advice on all matters related to parental involvement in programs supported by Title I, Part A and/or Limited English Proficiency programs under Title III.

A Safe and Drug-Free Schools and Communities Committee will be established to provide meaningful and ongoing consultation with, and input from, parents in the development of the application and administration of the Safe and Drug-Free Schools and Communities program.

A Safe School Committee will be established at each school which receives funds from the Safe Schools Act of 1994 to assist in assessing the school's violence and discipline problems and in designing appropriate programs, policies, and practices to combat such problems. The committees will include faculty, parents, staff and students.
