

Student Drug Testing Consent Form

Statement of Purpose and Intent

Participation in school sponsored extra-curricular activities at the Bath County Schools is a privilege. Students carry a responsibility to themselves their fellow students, their parents, and their school to set the highest possible examples of conduct, which includes avoiding the use or possession of illegal drugs.

Drug use of any kind is incompatible with participation in extra-curricular activities on behalf of Bath County Schools. For the safety, health, and well being of the student, the Bath County Schools has adopted the attached Student Drug Testing Policy and the Student Drug Testing Consent Form for use by all participating students at the middle school and high school levels.

Participation in Extra-Curricular Activities

Every athletic student shall be provided with a copy of the Student Drug Testing Policy and Student Drug Testing Consent Form which shall be read, signed and dated by the student, parent or custodial guardian, and coach before such student shall be eligible to practice or participate in any interscholastic athletic competitions. The consent shall be to provide a urine sample: a) as chosen by the random selection basis; and b) at any time requested based on reasonable suspicion to be tested for illegal or performance-enhancing drugs. No student shall be allowed to practice or participate in any activity governed by the policy unless the student has returned the properly signed Student Drug Testing Consent.
